**Due to the volatile pricing and availability of turkeys, the invoice price of our roasted turkey may vary per market rate up to 50% more for your event. In addition, at the time of your event date, we may not be able to source any turkeys. We recommend that at the time of booking, that you chose a second meat alternative in case turkeys are not available or are at a market rate that does not fit your budget.*

Every item is handmade from scratch using the finest ingredients. Nothing imitation, pre-packaged, or processed is acceptable!
