THE FESTIVE KITCHEN®

Catering + Food Manufacturing + Retail Food Shops

The Festive Kitchen is a resilient, high volume, innovative, consistent, 100% woman-owned Texas corporation established in 1991, specializing in premium unprocessed handcrafted food. With four staffed commercial food manufacturing permitted kitchens, including one that is MSA inspected, the company maximizes its iconic Dallas brand for catered events, food manufacturing, and its proprietary food shops.

Why Festive?

- Resilient: Innovative multiple revenue streams (MRS) have generated YOY sales well above industry averages during extreme national economic downturns such as the 2008 Recession and 2020 Pandemic. When other food companies declined, Festive Kitchen not only survived, but thrived.
- Ability to swiftly provide unexpected client needs for events or daily meals. We are not a mammoth slow moving corporation. We are nimble and can make it happen quickly for our customers.
- MRS ensure that business risk/reward is broad-based, securing sound financial stability for its employees and customers.
- Dedicated project manager with an informed back-up manager in case of emergency.

High volume, innovative, on time, on budget
foodservice that's handcrafted,
Festive-deliciousness.
